

Michael L. Howe

Senior Regional Association Manager
SUHRCO Residential Properties, LLC

Michael has been in the real estate industry for over 25 years. From his start as a real estate agent through his time in multifamily and commercial property management and continuing his career now as a Senior Community Association Manager, he has been all things customer service throughout his career. He is an active member of the industry advocate group "Community Association Institute" (CAI) where he received his Certified Manager of Community Associations (CMCA) and Association Manager Specialist (AMS) designations. He also serves as a committee member for an annual industry workshop for advanced education serving other association managers. Without question Michael considers himself a "Professional" Community Association Manager.

Having grown up primarily in the PNW and upon his acceptance of an athletic scholarship to the University of Washington, he learned a new level of hard work. Michael managed his studies in spite of the amount of time away from the books training and traveling for competition. That hard work and dedication affords the drive to provide the professional service to his clients. Michael enjoys the Northwest life style, the Seahawks and a great deal of golf. He says there is no better place to live in the United States. Go Dawgs!
