

Merri L. Heston

Vice President, Secretary & Treasurer of Commercial Properties
SUHRCO Management, Inc.
SUHRCO Residential Properties

Merri is responsible for all corporate financial information as well as overseeing the daily financial operations for SUHRCO's clients.

Upon joining SUHRCO Management, Inc. in 1985, her responsibilities included accounting and tenant relations pertaining to office and retail projects, leasing, budgeting contract services, and daily on-site management. Merri handled all promotions and marketing for a mixed-use development in downtown Kirkland as well as overseeing the budgeting and accounting of the merchant association.

A brief leave from SUHRCO Management, Inc. expanded Merri's experience to include accounting of industrial property management and in-depth knowledge and experience with the MRI accounting system currently used by many national institutions.

Her more than twenty years of accounting experience include a GSA position with the U. S. Government in procurement and preparation of financial statements, as sales auditor for Nordstrom, and as a personal accountant for the McCaw family, where her responsibilities included stock portfolio management; trust accounts and estate management; and all record keeping of the McCaw family personal transactions, investments and financial statements.

Merri is a native of Seattle, Washington and a member of the National Orchid Society. After completing her education, she lived in Australia where she worked in all phases of accounting for an Australian publishing company.
