

**Tammi Terzopoulos**

Community Association Manager  
SUHRCO Residential Properties, LLC.

---

As a Community Association Manager Tammi is responsible for implementing the decisions of the board of directors in running the day-to-day operations of the association. She assists with yearly financial planning and budgets, reviews and presents monthly financial statements, oversees site staffs and creates and maintains their schedules, contacts vendors for quotes on repairs for the Community, oversees any assigned projects to completion and works directly with the Associations legal team to ensure compliance. As a mediator Tammi utilizes her experience and knowledge to resolve any potential conflicts between Owners by following the Covenants, Conditions and Restrictions of the Community.

Tammi has had an extended and valued history of work at SUHRCO. She came aboard originally in 1999 as the main office Receptionist. Tammi then proceeded to work through varied positions, Administrative Assistant, Property Assistant, for both Residential and Commercial divisions, gaining terrific experience in all facets of management. Through her learning and diligence, Tammi was promoted to Community Association Manager managing Condominium Associations where she has continued to excel and impress her clients with her knowledge and levels of customer service.

Honesty, responsibility, respect and fairness are the core of Tammi's values. While upholding these on a daily basis Tammi makes a positive impact with her work, family and friends.
