

Annette Cox

Manager of Administration

SUHRCO Residential Properties Inc. LLC

As Manager of Administration, Annette is responsible for the internal systems and personnel that support the Community Associations and Community Managers. Annette devotes her excellent customer service skills and efficient work practices to managing the administrative department that serves SUHRCO's Community Associations.

Annette also manages Business Development where she partners with the Association Director to bring on new Community Associations and assist them through transition to SUHRCO.

After a seventeen year tenure with Nordstrom, Annette has evolved her customer service skills, excellent people skills and hands on approach to SUHRCO where she emphasizes personal support of Community Associations and prides herself with prompt communication and readiness to her homeowners. Annette has built a wonderful reputation as a "counselor" and "problem solver" with all of SUHRCO's Associations.

Annette is active in the Industry Associations and continues to advance her education and expertise. Through Community Association Institute (CAI) where she was awarded her Certified Manager of Community Associations (CMCA) designation and Association Manager Specialist (AMS).

Annette graduated Magna Cum Laude from the University of Washington where she received a Bachelor of Arts (BA). In her spare time, Annette enjoys spending time at her home on Whidbey Island with her twin daughters, beach combing, boating, crabbing and relaxing.
