

Inna Germanyuk

Accounting Manager

As a Manager of Accounting, Inna is responsible for all SUHRCO's residential and HOA client's financial reporting. She provides customer service that exceeds expectation, financial statements that are both accurate and timely and by representing SUHRCO in a manner that upholds their reputation. Integrity and ethics are integral to Inna in all her assignments and client relationships.

Inna brings with her fifteen-plus years of experience in the accounting field, nine of which are in property management. Before she came to SUHRCO, Inna worked with property management firms that focused on both Condominium and Apartment communities. Inna is excited to continue to advance SUHRCO's accounting services and expertise.

Streamlining processes and implementing new efficiencies to better serve SUHRCO client needs will be Inna's main focus.

Aerospace and Software as a service accounting experience are included in Inna's previous roles. She earned her B.S. degree at Central Washington University.

As a teenager, Inna moved to United States from Belarus. She graduated from Sammamish High School here in Bellevue, and enjoys taking weekend trips around the great state of Washington. She enjoys spending time with her family and friends.
