

Myron Monson
Senior Community Association Manager, PMP® AMS® CMCA®
SUHRCO Residential Properties, LLC

Myron Monson has recently joined the SUHRCO team of specialized Community Association Managers and skilled professionals. Myron brings to SUHRCO an extensive and successful background in sales, customer service, overall life skills, as well as property and personnel management.

Myron is a native Seattleite who has lived in just about every neighborhood in Seattle. He has more than ten years of Community Association Management and over twelve years of Condominium Association Construction Project Management. Myron brings a foundation of strong customer service skills to SUHRCO which he developed during his successful career in the hotel and hospitality industry, which included multi-property hotel management in several states west of the Mississippi.

Mr. Monson began his career in Community Association Management 2011. Myron has earned many accreditations and designations in that time. They include Certified Manager of Community Associations (CMCA®); Association Management Specialist Designation® (AMS®) as well as the Professional Project Management (PMP®) designation which is the highest standard for professional project managers, signifying expertise in the field.
