

Blair Krieg, CMCA®
Community Association Manager

With more than 15 years of experience in the community association and property management industry, Blair brings a background in managing a variety of communities and properties. She began her career more than 17 years ago as a part-time onsite administrative assistant at a large single-family community and quickly developed a passion for community management. Since then, she has managed portfolios consisting of townhomes, condominiums, single family homes and small commercial properties. She also spent over 6 years on site as the Senior Community Manager for one of the largest master-planned community in Washington State.

She is a person who genuinely enjoys building strong relationships with residents and Boards, while taking a direct, practical approach to finding solutions and getting things done. Her experience includes overseeing significant capital improvement projects, including community-wide painting, dry rot and structural repairs, and large-scale landscaping renovations. She also has extensive experience with board and community meetings, resident communication, conflict resolution, and navigating challenging situations. She takes pride in being a dependable resource for her communities, communicating openly, finding solutions to problems, and keeping projects and day-to-day operations moving forward.

Originally from Florida, Blair moved to the Pacific Northwest 20 years ago and quickly fell in love with the area. Outside of work, she enjoys spending time with her husband and their three teenage boys, as well as their cat and two dogs. Her favorite ways to unwind include hiking, camping, hot yoga, trying new recipes, spending time with family and friends and finding the best cake in Washington.
